ORDER

This matter is before the Court on the amended motion of Defendant Judge Don Davis to withdraw as class representative and class counsel and request for expedited hearing. (Doc. 147). The court does not find that a hearing is necessary at this time especially since a hearing would add to the attorneys’ fees incurred by the parties, which is precisely what Judge Davis says he is trying to avoid. Most of the issues in this case have been laid to rest by the Supreme Court’s decision in Obergefell v. Hodges, 576 U.S. ____ (2015). There should be little left for Judge Davis to litigate, other than perhaps the question of fees and costs.

Judge Davis’s request for an expedited hearing is hereby **DENIED**. Any party who wishes to respond to Judge Davis’s motion to withdraw is **ORDERED** to do so on or before **July 13, 2015**.

DONE and **ORDERED** this 6th day of July, 2015.
